|                                   |   |         | 01:05:00     | 00:39:00    |

## 4.2. Budget

Fernando Mateos Gómez works as a Developer and Analyst. During this deliverable all his tasks consist mainly on analysis and less code, in the individual section.

Since they are not very time consuming and they are more about analysis than developing code, an expected budget of 30€ and 1000€ of amortization, due to devices and other expenses is required.

## 5. Conclusions

These were the overall details of the performed individual task by the member.

## 6. Bibliography

<Intentionally blank>
